REMARKS

In Applicants' Response submitted to the Patent Office on August 17, 1998, two lines of type were inadvertently omitted from Claim 1. By this Amendment, Claim 1 has been canceled and the subject matter of Claim 1 is now recited in Claim 37, newly submitted. Claims 2, 5, 6 and 36 have been amended to correct claim dependencies. Claim 5 and 6 have also been amended to correct informalities.

Support for Claim 37 is provided in the specification, e.g., pp. 2 and 11, lines 20-21.

In view of the amended claims and foregoing remarks, it is respectfully submitted that the present application is in condition for allowance, which action is earnestly solicited.

Respectfully submitted,

Ann R. Pokalsky
